Hello, everyone.

I am forwarding you the invite for this week's TSCA Section 8(a) PFAS Data Call Workgroup Meeting (4/15 at 2 PM), where the focus will be to discuss the PFAS scope details for the rule.

You had all commented on the draft scoping document the other week (see attached), so I am inviting you to join this specific conversation to help OPPT determine what PFAS will be included in this rulemaking. Please join us via the directions below if you are able to participate this Wednesday. Let me know if there are any questions. Thank you!

- Walter
